MAHAVANI SCHOLARSHIP WINNERS

BY VENEDICIAS KIZZA

AS PART of their annual scholarships scheme, the Madhavi Foundation has released a list of shortlisted applicants who are on the verge of qualifying for full package sponsorship for their undergraduate education at Ugandan universities in the academic year 2014/15.

These finalists are set to sit

for their final set of interviews on August 4th 2014 at Makerere University main campus's Senate House board room, according to leaked information. The scholarship covers tuition for students from second year for the undergraduate programmes and for those at postgraduate level. It covers the entire course of study. According to the chairman Madhavi Foundation Scholarship Committee, Anthony Bante, the scholarship goes to only Ugandan students who are bright but underprivileged.

It is based on merit, competence, candidate's ability and financial status of parents. One must be willing to study in a Ugandan University. All candidates appearing for interviews are advised to bring their original of all documents submitted with the application, Identity Card, proof of parents' occupation. We also expect pay slips, letter from the employer, letter from LC and death Certificate in case of dead parents," reads the statement we received. The shortlisted students include:

MAKERERE SENATE HOUSE. It's here that the shortlisted students will sit their final round of eligibility tests from
